In compliance of the direction of the Hon'ble Governor & Chancellor, your University has already adopted a village under the "*Smart Village Initiative*".

The Hon'ble Governor has further directed that all Universities are to take up a specific activity in their adopted village each month of the year so that focus may be given to a particular sector every month across these adopted villages. Accordingly, the Hon'ble Governor has approved a monthly roster of activities, which is enclosed at Annexure. It may be noted that this will be the addition to the general activities being taken up by the University in these villages.

It may kindly be ensured that compliance of the aforesaid directions of the Hon'ble Governor is ensured at the earliest, under intimation to the Governor's Secretariat. Progress report may be included in the monthly report sent by the University to this office.
