12 points programme for excellence in Higher Education

Jaipur, 4 July. The Governor of Rajasthan and Chancellor Shri Kalyan Singh has issued detailed guidelines to all the Universities containing 12 points programme for bringing excellence in higher education sector. He has stated that meetings of curriculum review committees be held regularly. In order to ensure quality research work, the Governor has considered those research publications of standard, which are published in the reputed journals at national / international level. He has issued instructions to ensure attendance of employees in the Universities by biometrics system. Disciplinary action be initiated against them who are not marking attendance by biometrics system. To ensure cleanliness in the premises of Universities, instructions have been issued that use of 'single use plastic' be disbanded with immediate effect.

The Governor Shri Kalyan Singh has laid emphasis on rain water harvesting system. He has also stressed upon for establishing solar system to meet out the requirement of electricity. He has issued instructions that women wardens be appointed in the girls hostels. He has expressed his desire that academic calendar issued by the Raj Bhawan to all the Universities be followed religiously. He stated that an assessment be carried out regarding improvements brought or observed in the life style of inhabitants of those villages which are adopted by the Universities under smart village initiative. He has stressed upon the necessity for construction of new ponds in the villages.

The Governor Shri Kalyan Singh is quite serious for implementation of 12 points programme, and issued instructions that this should be strictly adhered to by the Universities, and compliance report sent to Raj Bhawan by 30th of every month. He has issued instructions that agenda for consideration in the meetings of Vice Chancellor Coordination Committee should always include '12 points programme' as one of the agenda items.
