RAJ BHAWAN, JAIPUR**

From :-

**Secretary to the
Governor, Rajasthan,
Jaipur.**

No. F. 1(10)(A)(5)RB/ 2016 / 9206

To :-

Vice-Chancellor,
All State Universities.

Dated : 10 November, 2016

Sir/Madam,

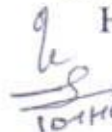

The Group of Registrars in its report has brought to notice that most of the State Universities do not have a dedicated cadre of accounts personnel that is required in view of the large grants etc. and other financial matters being handled by Universities.

As directed, the Universities may assess the need of a separate accounts cadre at their level and write to the state Government under intimation to the Governor's Secretariat.

Yours sincerely,

(Kirti Sharma)
