policy in State Universities.**

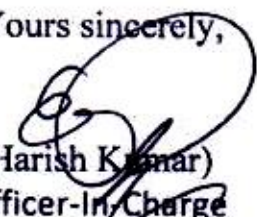

Dear Sir

Hon'ble Governor and Chancellor is pleased to approve formation of a sub-committee under your convenorship to suggest general guidelines regarding a placement policy for State Universities.

In continuation of discussions held with your good self, please suggest names of persons to be included in aforesaid sub-committee.

It is pertinent to mention here that sub-committee has to submit its report at the earliest, so that placement policy is there in all State Universities before completion of current academic session.

Yours sincerely,
