Awareness is necessary to prevent from Corona Virus

Save Yourself, Save the Country.

I support the "Janta Curfew"

- Governor

Jaipur. 20th March. Governor Shri Kalraj Mishra has supported the resolutions and Janta Curfew called by Prime Minister of India Shri Narendra Modi to protect against corona virus spread.

Shri Mishra has appealed to the public not to come out of their homes in Janata curfew on Sunday 22nd March and play an active role in bringing the country out of this crisis. He said, "I commend the incomparable work done by the health workers and I request all of you that all the people of the state, must come out of their houses, stand in balcony or window at exactly 5 pm on Sunday, March 22 and express gratitude towards the people who are working tirelessly to keep them safe in midst of the crisis."

Governor has issued a message that it is very important that every citizen of the state need to be alert. The track record of the spread is being monitored by the Raj Bhawan and the State Government. In such a global epidemic, the same mantra works – "if we are healthy, the World is healthy." He said that in such a situation, when there is no medicine for this disease, it is very important to keep ourselves healthy. To avoid this disease and to keep ourselves healthy we have to avoid crowds. Avoid getting out of the house. "

Governor Shri Mishra said that " Prime Minister addressed the nation on Thursday 19 March. We have to follow the instructions given by Prime Minister and defeat this epidemic. We have to follow those resolutions so that we can beat this epidemic. I welcome the resolutions suggested by the Prime Minister. "

Mr. Mishra has said that the whole world is going through a very serious phase of crisis due to Corona Virus. Normally whenever a natural crisis comes, it is limited to a few countries or states, but this has put the entire human race in crisis around the world. For the last two months, we have been continuously watching the disturbing news related to the corona virus. He said that awareness is necessary to prevent corona virus. All people have to beat Corona together.
